THE Y SURF

Fits on a Y Large Trailer
Maximum trailer load 90 kg
Load on rails 20 kg
Wheel size 20"

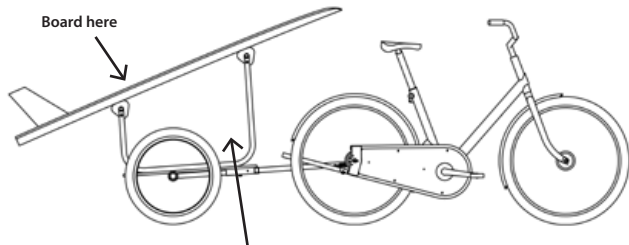

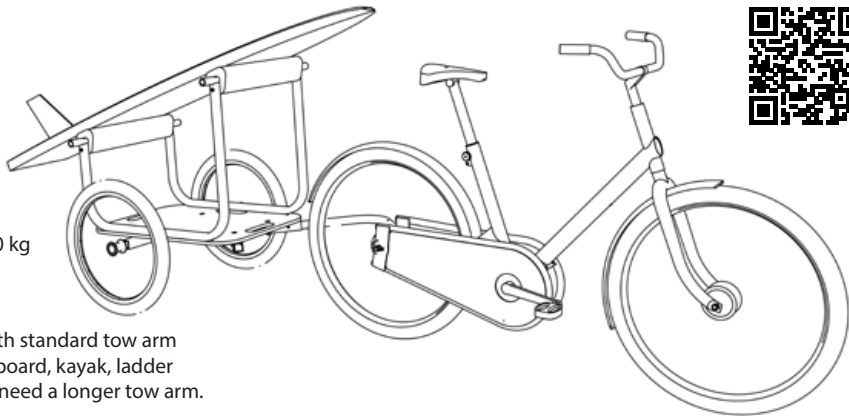

Board size 2,2 meters with standard tow arm
Can also carry a paddle board, kayak, ladder or cello. Long loads may need a longer tow arm.

Go surfing but leave your car at home.
With a Y-Surf you can cycle your surf board and all the gear you need to the beach and go on that epic ride.

The unique rail design means that the board cannot be blown around by the wind and there is still space for all your gear as well.

Our trailers - Every journey with a trailer is a journey without a car. By making "stuff carrying by bike" easy, we encourage more bicycle journeys.
